First Activities I've Chosen:

Where can I find out more?

The Children's University website is a good place to start. It is regularly updated with CU news and activities

www.childrensuniversity.co.uk

Local CU Twitter Page: 

www.twitter.com/WarwickshireCU

www.twitter.com/BirminghamCU

How to record your hours on your E Passport

Homepage - click on

Login and click on

Then click on

Add an activity to your passport

Choose the location (Finham Park)

Click on the activity

Click on the date you did it

The time will be done automatically

Rate the activity and save

Add a new activity

Which area or region did the activity take place in?

Where did the activity take place?

Which activity was it?

When did you do this activity?

May 2014

Su	Mo	Tu	We	Th	Fr	Sa
				1	2	3
4	5	6	7	8	9	10
11	12	13	14	15	16	17
18	19	20	21	22	23	24
25	26	27	28	29	30	31

No activity date selected

How long did you spend doing the activity? hours and minutes

How would you rate this activity?

How to use your Passport to Learning

What we expect at Finham Park

We expect every Year 7 student to get involved in **at least 1 OOHSL activity a term** that take place outside the classroom or the normal school day. You can of course do more than just one activity!
(**OOHSL** = Out of Hours School Learning)

Why?

You will have more:-

- Fun
- Abilities
- Interests
- Confidence
- Friends
- Challenge
- Excitement
- Rewards
- Love of learning
- Achievement in lessons
- Chance of going to university

What is the Children's University?

The CU is an international organisation which helps provide OOHSL activities and experiences.

It will reward you for your involvement in OOHSL activities through Awards and graduation ceremonies just like at a university like Warwick or Coventry

How does this work?

Your mentor will start you off by helping you choose activities to do in school from a wide range of OOHSL activities such as art, sport, drama, dance, music, College activities, Student Leadership and much more. These are listed online on the Finham website under Parents and Students then Extra Curricular or on the CU E-Passport.

Your E Passport

You will have your own personal Children's University E-Passport in which to record the time you spend doing these activities

You can log into this through your school homepage.

Every hour you do will count towards the CU Awards.

The first Awards at Undergraduate level are:-

- **Bronze Award** for 30 hours of involvement.
- **Silver Award** for 60 hours
- **Gold Award** for 100 hours

The more activities and hours you do the more Awards and celebrations you get.

You could be invited to a grand graduation ceremony at a local university

Your Mentor will give you:-

- Your E Passport login details
- Your Passport to Learning
- Help and encouragement by regularly checking how you are doing on their area of the E Passport

Your Paper Passport

Some of the hours you collect will be for activities in school but we want to celebrate the fun and learning you do in other places too.

You will also be given a posh CU Passport to Learning. There are hundreds of activities outside of school, around the world, at CU 'Learning Destinations', like Coventry Transport Museum, Herbert Art Gallery, Kenilworth Castle, Eclipse Gymnastics Club, Kool Kayakers Canoe Club or Stagecoach Theatre Arts.

Simply have fun doing the activity and then get your Passport filled in and stamped with an official approval stamp to get even more time credited.

You can look on your E Passport or on the national Children's University website on the 'Learning Destinations' page to see where these are.

At the back

In the back section of your Passport you can collect stamps and stickers for activities that you have taken part in which are not part of the Children's University.

This might be your local sports team, a trip out or a special award that you have received
