FINHAM PARK MULTI ACADEMY TRUST Allergen Policy Statement

Finham Park Catering recognises that many people are allergic to certain foods. We take our responsibilities very seriously and will try to help you in any way. We have taken steps to train all of our staff in allergen awareness so that they will know what to do if you inform us that you have intolerance to certain foods. Please inform a member of the Catering Staff clearly what foods you want to avoid.

The nominated person to whom all questions should be addressed if there is any doubt is: Samantha O'Hagan (Catering Manager)

In the absence of the nominated person, the deputy is: Jane Willis (Supervisor / Cook)

Our staff are instructed to ask the nominated person if they are in any doubt about menu items before advising you.

- Wherever possible we keep allergenic foods in sealed containers to limit or prevent cross contamination.
- We keep records of menu items that contain the main allergens.
- We only purchase from suppliers that have an allergen policy in place.
- For some menu items we may not be able to guarantee that they are totally free from allergen contamination
