

## Re: Safe parking outside of school

Dear Parents and Carers,

Dropping off and picking up times outside school are very busy times of the day in terms of pedestrian, cycle and car traffic. All our students must be able to leave the school site safely whilst at the same time making sure that traffic on Green Lane and Bathway Road continue to flow freely and not get congested causing additional hazards to everyone.

We are therefore requesting that if you are dropping off or collecting your child by car that you find a suitable and legal place to park. In recent days cars have been parked on the white zigzag lines on the pedestrian crossing or on the double yellow lines. This impedes not only the vision of the children trying to use the crossing but also causes tail backs that cannot be cleared making the road very dangerous for all.

Staff on duty may therefore have to ask you to move on if you park in any of these restricted areas. In addition to this, please be aware that the city council has a vehicle that patrols outside our school with a camera.

For more information about parking outside schools, please visit [www.coventry.gov.uk](http://www.coventry.gov.uk) and search for parking at our schools.

We thank you for your continued support as we ensure our students are safe.

Yours faithfully,

Mr P Belham
