Review Meeting with Viv, Mark and Head of Governors

JL and JM summed up the recent meeting held at school. Viv and Mark confirmed their continued support of our group and came up with new ways to promote our activities in a more effective manner. They also suggested we put together a diary of events to ensure that we can manage the events we plan to have during each year.

They will also hold a FoF week in June, building up to a non-uniform day on Friday 17th June, in which Viv will arrange assemblies to introduce FoF to the students and raise money for us on the Friday. JL will liaise with Viv to see what she needs from us.

Dragon's Den

All recipients are very grateful for our support and will promote us to parents and students. Ian Fletcher has been put in touch with DL's contact and they are working together to obtain the best value for the school, as well as hopefully arrange visits for students.

JL has obtained a large cheque and we need to arrange a photo opportunity for this.

Foreign coin collection

Viv was to put out a reminder and this will be run again after the summer holidays.

Bingo

Ticket sales are steady. We will make a decision early next week as to feasibility.

Star-Studded Evening of Success

JL will be representing us and giving the award. She will make a note of who receives what.

Year 7 New parents evening

Viv has volunteered student leaders to sell raffle tickets for us. JL will contact uniform suppliers for prizes and we will do an equipment pack.

Godiva Festival

This needs planning in more detail once we know we have a stall. We have booked for the weekend and will share the stall with FP2.

Uniform

JM will confirm dates for Stivichall and Finham Primary summer fetes. JL will prompt the school for our "Say goodbye to the tie" collection when the year 11's finish their exams as we are always short of ties.

Next meeting

Monday 9th May at 6.30pm at the Burnt Post.
