January 2018

Dear Parent/Carer

Finham Park has been given the opportunity to take part in a project that will run jointly between the school and West Midlands Police.

Operation Encompass is an initiative aimed at safeguarding children and involves collaborative work between the local police and the school. The police will report the names of any pupils who have been exposed to, or involved in any domestic incident they have been called to. This information will be passed to the school's Designated Safeguarding Lead prior to 9am on the next school day.

Only our Designated Safeguarding Lead or Deputy Safeguarding Lead will receive the Operation Encompass information and will use it in complete confidence. The information will allow us to ensure we make provision for possible difficulties experienced by children, or their families, who have been involved in, or exposed to, a serious domestic incident.

The project is due to commence on 1 February 2018. We are keen to offer the best support possible to all our pupils and we believe this will be extremely beneficial for all those involved.

Yours faithfully

Mr C Bishop
