Date: 1st February 2018

Dear Year 11 Parents / Carers

Re: Study Skills Conference Friday 16th February 2018

In order to ensure that all our students are fully prepared and supported for their forthcoming GCSE exams, we have organised a whole day off timetable on Friday 16th February. With twelve school weeks remaining, it is vital that students are well motivated, know how to plan effectively, are equipped with memory techniques and know how to use relaxation strategies during this stressful period.

The day will be arranged as follows:

Meet in Theatre at 8.50 for Conference Packs for the day.

Day to include: 2 x one hour sessions by Elevate Education on motivation and memory techniques, a one-hour session on "Positive Mindset", one hour on planning revision and a further hour on reinforcing memory techniques.

Return to Theatre for review of day at 2.50pm.

We have now run this day for the past five years and students have unanimously agreed that it was very useful. The message will be that revision should be underway now and therefore we would be grateful if you could reinforce and support at home. The power points for all sessions will be on the website so that you are aware of the content of the day.

The expectation is that all students that come ready to participate and leave feeling equipped to succeed.

Yours sincerely
