# FAQS

- **What is being done to help me?**

Your Mentors and College Leaders are currently looking at your recent Progress Checks and your GCSE predicted grades. If you are at risk of missing your target, they will meet with you during the coming weeks to support you leading up to your Mocks.

- **Why do I need 5 GCSEs grades 4 – 9?**

You need this because this benchmark guarantees students a place on most 6<sup>th</sup> Form and Level 3 (BTEC National) courses. Please be aware that you need 5 grade 4 – 9 GCSE passes, including Level 5 in Maths and English, to study A Levels or 4 grade 4 – 9 including grade 5 in English to study BTEC applied courses at Finham Park 6<sup>th</sup> Form. Please check college prospectuses and be clear about the entry requirements and ensure you apply for the appropriate level and ensure you have a backup plan (for example apply for Level 2 as well as Level 3). Obviously, for those of you hoping to obtain a place at a top university in 2 years time, this may NOT be enough and you should be aiming as high as possible.

- **What should I be doing in the coming weeks?**

Make sure you are 'revision ready' and well organised. Purchase revision guides, visit revision websites, attend extra study lessons, relevant careers events and open evenings. If you are having any difficulties, speak to your Subject Teacher, Mentor or College Head – that is what we are here for! You can also research on FROG – Classroom- Subject- Careers – JED (this is a careers package you can work through to help with your decision making before your careers interview)

- **What about holidays?**

Make sure you do not book any holidays during this time, especially Thursday 22 August 2019 as this is GCSE Results Day. Or, once GCSE's start on May 13<sup>th</sup> 2019 (Drama, PE and Art Exams are before this)

- **How can our school Careers Adviser (Mrs Hooke) help?**

You can use the Careers office for research at lunchtimes. All Year 11s will receive a Careers Guidance interview with Mrs Hooke, who will be happy to help you with applications and get you any information you may need. Please check the notice on the door for times and dates when she is present in school. If you have any questions about this, please pop in or email her on [j.hooke@finhampark.co.uk](mailto:j.hooke@finhampark.co.uk) and follow her on twitter

Follow on Twitter – [careers@careerspage](https://twitter.com/careers@careerspage)

Mrs Hooke will be conducting group and one-to-one careers advice interviews this and next term where you will be able to discuss your post-16 options. Appointment cards will be sent via your Mentor and given out during registration. If you need to see her urgently, please call in to arrange an appointment.

Mrs Hooke will be attending future assemblies and the 6<sup>th</sup> Form Open Evening and the Yr 11 parents evening.

*Remember you should have a back-up plan and be applying for more than one option should you not be successful with your first choice.*
