Dear Parents/Carers of Year 11 and 13

I wrote to the parents and carers of Year 11 a matter of hours ago explaining that we were going to use Centre Assessed Grades as our entry to the Sixth Form, irrespective of what grades were awarded by examination boards.

Since that letter, the DfE have announced that Centre Assessed Grades, those awarded by teachers, would be used as the final grades awarded to students in both Year 11 and 13. We welcome this announcement.

To clarify, A level students will get their official result if it is higher than their Centre Assessed Grade.

Year 13 will therefore have the Centre Assessed Grades released on FROG by 12pm on 18th August, and Year 11 will receive theirs on 20th August. Please ensure that students check their FROG account for these grades. The email address below is still accessible to contact the school with queries and questions for support over the coming days.

We want to support all our young people to ensure they get the best possible outcome from their qualifications.

Yours faithfully
