Date: 14th January 2019

Dear Parents / Carers,

YEAR 11 PARENTS' CONSULTATION EVENING – THURSDAY 24TH JANUARY 2019, 4.30PM – 7.00PM

On behalf of the Year 11 teaching team, we would like to invite you and your son/daughter to the Year 11 Parents' Consultation Evening on Thursday 24th January 2019 between 4.30pm and 7.00pm.

Although we continue to provide support to students in the run-up to GCSEs, this is a particularly important opportunity for you to meet formally with individual subject teachers. They will be able to provide you with up-to-date information on your child's progress and offer you some practical strategies in support. In addition, we have invited Elevate Education to run two 30 minute sessions to parents on practical ways you can support your son or daughter with memory techniques and positive mind set.

The evening will be held in the Theatre, where you will be able to meet with teachers of English and Mathematics, and the Sports Hall, where teachers of all other subjects will be available to meet with you. Elevate Education will be based on T block and will run sessions from 4.30 to 5pm and 5.30 to 6pm. It is important that your child comes with you so that they are aware of their next steps. They should bring their planners with them in order to make notes. Students are not expected to attend in their school uniform.

We have attached an Appointment Booking form (PC1) which should be completed together with your child's teachers during week commencing 14th January. The appointments last a maximum of five minutes in order to ensure that every parent and student has opportunities to speak to relevant teachers during the evening. We would also recommend that, if time allows and subject to availability, you meet with your child's mentor.

Please note that we have very limited parking facilities for visitors on school grounds and so would ask that you park considerately nearby, bearing in mind the need to cause as little inconvenience to our neighbours as possible.

We very much look forward to meeting you again and continuing our three-way partnership so that each and every one of our students can reach his or her full potential in the forthcoming exams.

Yours sincerely
