Dear Parents/Carers

Re: Parent Forum sign up (20th April 2021)

As a school we are looking at ways in which we can share proposals, answer questions and gather ideas. To this end we are setting up a parent and carer forum. The forum will be held on a termly basis using MS Teams. Up to 100 people will be able to attend at any time and therefore, if interest is high we will rotate attendance to the meetings. The meetings will be recorded, with cameras and microphones mostly turned off.

The first parent forum will be held on Tuesday 20th April at 4pm and will last 45 minutes. We are looking to gather views on expanding the use of electronic devices such as iPads or laptops in lessons for all students and what parental preferences may be to achieve that.

Agenda:

1. Welcome and introductions
2. School item – ‘Bring Your Own Device’ policy expansion and/or ‘Device Purchase Scheme’
3. Parent items – as previously notified.

If you would like to raise a question for consideration at the meeting, please do so using the Google Form sign-up sheet below by Thursday 1st April so that we can ensure time is used effectively. We will email you the Teams meeting link to the email address you provide by Monday 19th April.

Also, please could as many parents as possible, whether you would like to attend the Parent Forum or not, complete our usual parent questionnaire to help us gather your views by following the link below? It should only take 5 minutes to complete.
