

## PSHRE newsletter

Welcome to our first PSHRE newsletter, where each half term we will keep you updated with what each year group will be covering in PSHRE lessons, along with any guest speakers who will be coming in to speak to our students. We hope that by sharing this information with you, it will give you the opportunity to build upon these topics at home and engage in conversation about what students have learnt in their PSHRE lessons. I have included some useful websites below to help support any conversations at home.

Years 7 and 8 will have PSHRE twice a fortnight  
Years 9, 10 and 11 will have PSHRE once a fortnight.

## RSE Changes

In the last year, with the government making Relationship and Sex Education a Statutory requirement in all schools this September, it has provided us with a perfect opportunity to revisit our RSE and PSHRE curriculum and ensure we are still delivering outstanding education fit for the 21st century. In recent years, there has been changes in terminology and emphasis, with explicit reference to family relationships and marriage, parenting, sexual and gender identity, consent, pornography, sex within the media, sexual harassment, healthy vs unhealthy relationships and the law. Our aim here at Finham is to equip all pupils with the knowledge to make wise and informed choices, alongside developing life skills, respectful attitudes towards others and inclusive values. Further information on RSE at Finham, can be found in our RSE policy on our School website

For more details on the curriculum and the new statutory guidance, please visit the PSHRE page on the Finham Park website
