ALL ABOUT ME

A welcome from your college leader

Welcome to Masai College – one of the 5 Finham Colleges named after lion species! The Masai lion is a long, slender lion found in eastern Africa in Uganda, Kenya and Tanzania in the Serengeti National Park and around the great Mount Kilimanjaro.

The Masai tribes, who live in harmony with Masai lions, consider them to be the epitomy of courage. As you embark on your five-year journey as a Masai student, courage is the one quality above all others that we expect you to display as a Masai student; the courage to always try your hardest, the courage to do the right thing and the courage to always treat others respectfully.

You are the new lion cubs – the youngest additions to the pride of Masai lions! Like the cubs which roam with their prides on the Serengeti plains, be reassured that older Masai lions are there to teach you, encourage you, direct you and protect you. One day you will be one of those older lions and we will expect you to do the same.

A bit about me, your Masai College Leader! I've taught at Finham Park for a long time now – I arrived in 2006 long before you were even born! I teach French and Spanish so will no doubt see some of you in Year 7 languages lessons on a regular basis! I am a big sports fan and am an avid supporter of Aston Villa. I also love cricket, rugby and baseball and a whole host of other sports. So, between now and September, enjoy your remaining time at your primary school and the summer hols and I'll see you in September!

Summer TASKs

From this page onwards you will find some pages which ask you a lot of questions about yourself, your hobbies, your achievements and your goals. We would love to hear all about you, so if you can complete this over the Summer and bring this with you on your first day, that would be great! Your mentor will sit down and go through this with you, so they can get to know you really well.

Also, if you wish to and have a little spare time over the summer **(there is no expectation to do this – so do not worry)**, if you go onto the following link you will be able to access some tasks from every subject at Finham Park School. If you would like to have a taste of what learning is like at Finham, give any of them a go! You may want to pick one you are interested or one you have never done before – it is entirely up to you!!

equipment

At Finham we have the 'Finham 5' which is the basic set of equipment we expect you to have all the time, every single day. You will be moving around to different classrooms for different lessons and you have to be equipped for EVERY lesson. You can keep larger items such as your PE kit in your locker, however you can only go to your locker before school, at break and lunchtime and at the end of the day. Below are some items you will need to bring – can you identify them and add anything else?
