

## Summer Assignment

Over the summer you will need to take a new shoot of 30+ images and arrive back with year 9 and 10 gaps filled and a new artist annotation complete ready for the first lesson back.

### **Task 1: Pick one thing that is working well to develop:**

- Same genre – new influence
- Same artist – different focus
- Same material / technique – new influence
- Same idea – new material / technique process.

### **Task 2: Research new examples of work to inform a new annotation and new photos to source over the summer. (See books, artist powerpoints in the print folders for ideas - also try some pinterest and website searches. <https://thephotographersgallery.org.uk/photography-culture>**

### **Task 3: Identify gaps in your year 9 and 10 work that you can complete over the summer.**

Refer to the year 11 page of the tracking sheet for your personalised targets which you can find in the year 10 print folder or via the Google Classroom.
